ADD TWITTER FEED ONTO SCHOOL WEBSITE
IIS Team – V.1  1/24/2018

Go to the below website

https://publish.twitter.com/

Copy the twitter URL into the line for: What would you like to embed

Example:  https://twitter.com/OPS_Saddlebrook

District Communications and or Help Desk has this exact information - you will need to obtain it from them prior to starting

Select the Embedded Timeline option
ADD TWITTER FEED ONTO SCHOOL WEBSITE
IIS Team – V.1  1/24/2018

Copy the line of code. It will provide a screen saying Copied when successful.

Go to the school website and login
ADD TWITTER FEED ONTO SCHOOL WEBSITE
IIS Team – V.1  1/24/2018
